

WHAT OUR PAST AWARDEES ARE SAYING

# AACAP Pilot Research Awards

"Your investment in my research is not only a personal encouragement but also a significant contribution to the advancement of knowledge in child and adolescent psychiatry."

**Joseph Aloï, MD, PhD**

2022 AACAP Pilot Research Award for General Psychiatry Residents, supported by Industry Supporters

"The AACAP Pilot Research Award has facilitated a strong connection with the AACAP research community, including through introductions to peers with similar goals, new collaborators, and external mentors who I believe will be instrumental in supporting me."

**Robyn Thom, M.D.**

2021 Pilot Research Awards for Attention Disorders, supported by AACAP's Elaine Schlosser Lewis Fund

"AACAP shared my vision and provided grant support, mentorship and scientific opportunities which over the course of the year, allowed me to take my project from an idea to a registered clinical trial."

**Sherab Tsheringla, MBBS, MD**

2023 AACAP Pilot Research Awards for Early Career Faculty and Child and Adolescent Psychiatry Fellows, supported by AACAP
